Dear Chaplaincy of Full Gospel Churches, Incorporated
Reverend Matthew A. Cassady, Endorsing Executive,
and to the Official Board, Ministers, and Members

I authorize the Chaplaincy of Full Gospel Churches, Inc., to serve as our sole authorized endorsing agency representative. We have no other denominational or group covering for endorsing or certifying for Chaplaincy to Federal, State, or Local agencies.

I have reviewed the CFGC Statement of Faith and Principles of the New Testament for Christian Work at cfgc-usa.com and verified that my church agrees with them in their entirety.

Cross Church Fresno has xx members and xx Ministers. Cross Church was founded in xxxx. We received our 501 (c) (3) status in XXXX. Our Federal Tax (EIN) ID # is: xxxx

We recognize that the call to Chaplaincy is unique and represents all the Ministries that go beyond the local Church, which provides Chaplain Ministry to the Military, Veterans, Federal Agencies, Healthcare, Hospice, Correctional, Law Enforcement, Workplace, Sports, and to Minister in many more unique institutions.

We recognize that the Chaplaincy of Full Gospel Churches represents over one thousand Full Gospel, Spirit-Empowered, Non-Denominational Churches and Fellowships. There are no fees or financial obligations in this Participating Member Church Agreement. We understand that CFGC is supported through the faithful giving of its Endorsed Chaplains.

Your preferred closing,

Pastor Pete
